

Playing Rules: Under 8-10 (7 v 7)

1. **The Build Out Line** – U8-U10 games will have “build-out” lines located midway between the top of the penalty area (not penalty arc) and half line that opposing players must stay behind when the goalkeeper has ball possession or a goal kick is being taken (by any player). During goal kicks, opposing players have to wait until the ball leaves the penalty area before they can cross the build-out line. During goalkeeper hand possession, opposing players can cross the build-out line as soon as the ball leaves the goalkeeper's hands, regardless of whether it is a throw or a drop to their own feet. If the opposing team is retreating toward the build-out line and not pressuring the goalkeeper, the goalkeeper may distribute the ball prior to the opposing team reaching the build-out line.
 - a) U8-U10 Goalkeepers cannot punt (direct hand-to-foot distribution) or dropkick (letting the ball hit the ground immediately before kicking it) the ball on goal kicks or during a standard save. They may distribute by throwing/rolling or dropping the ball to their feet to make a pass.
